I. Introduction

The 2004 and 2005 Sessions of the North Carolina General Assembly provided the Department funding to offer residential and/or community-based intensive services for Level III youth who are committed to the Division for placement in a Youth Development Center, Level III youth who are re-entering the community after receiving commitment programming in a Youth Development Center, and Level II youth who are most at-risk of a Level III disposition and commitment to a Youth Development Center (YDC) and/or youth who are re-entering the community from a residential or other out of home placement.

The Department is issuing this Request for Proposals (RFP) for \$750,000 to North Carolina counties, to invite submissions of proposals for funding in fiscal year 2016-2017, to address the priorities, population, and services as described herein. A maximum of ten (10) awards could be made with no one project receiving more than \$100,000.

Proposed programming must:
